

Parent News

April 2022

Happy Spring!

It's hard to believe, but the end of the the 2021-22 school year is almost here! As we get ready for the final grading period, we have just a few brief updates for you below.

SOL Testing

End of Course testing (SOL's) is just around the corner. Students will be testing during the last 2 weeks of May. We will continue working with them to prepare at school. Please help us out by making sure your student gets to bed on time and eats breakfast each day. Each county has different testing windows but once I know the test dates, I will let each student know.

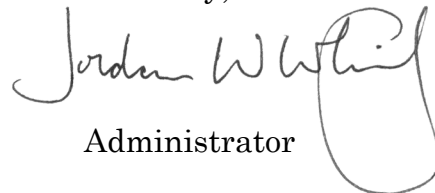

Snow Make-Up Days

We only have **2** days to add onto our school calendar to make up for snow days. **May 27th and 31st will both be half days of school.**

Spring Field Trips

With winter behind us we are looking forward to the warmer weather. Our students have worked hard and we have plans to get them outside to enjoy time away from classwork. Over the next 6 weeks, we are planning to take students zip-lining, swimming at Bear Creek Lake and back to Glory Reigns for some time with the animals. Keep an eye out for permission slips coming home so your child can attend!

Sincerely,

Administrator
